PROFILE

A university undergraduate who has a background in business and IT. Always up for a challenge to develop additional skills for self-improvement. Passionate about entrepreneurship and software development.

EXPERIENCE

Research Analyst

Jumbo Seafood Restaurant (2017 - 2018)

A 15-week programme where 27 students are specially picked to conduct a market research for Jumbo Seafood Restaurant. As the company had planned to expand its business into 3 countries (Indonesia, Vietnam and Thailand), we visited these countries to determine their feasibility by conducting the relevant market research (Market analysis, Country analysis, as well as Cultural analysis).

Entrepreneurial Project

Jeely's Terrarium (2016)

A small enterprise started by 5 students to create a new meaning to terrariums. It had successfully gained recognition of investors on Kickstarter and earnt a profit of $50 after 6 months of sale.
